

Food Ordering via Web Tracker

- Orders are placed online through Webtracker
- Order deadline: Wednesdays before 12:00noon
- The system locks out at exactly 12:00noon so please ensure your order is submitted well before the deadline. In order to accommodate vendor deadlines, **NO LATE ORDERS WILL BE PROCESSED.**
- Prices and product availability change weekly
- Tastebuds will send a weekly email on Monday (or Tuesday if Monday is a holiday) when prices have been updated and you can begin placing your order.
- Delivery typically occurs on Monday or Tuesday of the following week. If Monday is a holiday, all deliveries will be pushed back by one day. Delivery days and times are subject to change and cannot be guaranteed.
- Any item with a price of \$0.00 is not available to order that week
- All vendors have a minimum order of \$150.00. Orders that do not meet the minimum will not be processed
- Click "Save and Close" once and wait for the system to process (pressing more than once will submit a duplicate order)
- Please follow this link for a short video tutorial on placing orders: <https://www.youtube.com/watch?v=ZqbuaSyj8t8>
